

ISBMT

Indian Society for Blood & Marrow Transplantation

POSTER INDEX		
1st Annual Meeting of ISBMT		
12 March 2020 (Thursday)		
	Poster Put-Up Time:	08:30 – 11:00am
	Presentation & Judging Time:	06:00pm – 08:00pm
	Take-Down Time:	March 13, 2020; after 07:00pm (only for participants to view the posters at their convenience)
	Dimensions of your poster should be maximum 3 feet (width) x 4 feet (height).	
S No.	Title	Presenting Author
1	Haploidentical stem cell transplant with post transplant cyclophosphamide: A Single centre experience	Nitin Yashas Murthy
2	Comparison of efficacy, toxicity and outcome of Lenalidomide with Donor Lympho-cyte Infusion vs Donor Lymphocyte Infusion in Patients of Relapsed Allogenic Stem Cell Transplant– A Single centre Experience	Vinodhini Murugaiyan
3	Case Report of Life Threatening Gastrointestinal Bleed in Chronic GVHD patient on IBRUTINIB	Jay Mehta
4	Parvovirus Infection in Pediatric Hematopoietic Stem Cell Transplantation- Spectrum of Manifestations	Amit Jain
5	A Rare Case of Parvovirus induced Guillain Barre Syndrome in Pediatric Allogenic Hematopoietic Stem Cell Transplant.	
6	Distribution and Resistance Patterns of Bacteria in Surveillance Cultures from Patients admitted in Transplantation unit	Asha John
7	Hodgkin Lymphoma: Auto Stem Cell Transplant outcome from a single centre with focus on Salvage Therapy for relapsed patients	Tasneem Bharmal
8	Hematopoietic Stem Cell Transplantation for Primary Immunodeficiency Disorders: A single institution experience	Fouzia N.A
9	Allogeneic Peripheral Stem Cell Transplantation in Sickle Cell Disease: Single Centre Experience from North India	Minakshi Bansal Vohra
10	A Multimodal Strategy To Reduce CLABSI	Kavitha S Nair

11	Hematopoietic Stem Cell Transplantation in Paroxysmal Nocturnal Hemoglobinuria: A Life saving therapy	Duncan Khanikar
12	CARFILZOMIB INDUCED THROMBOTIC MICRO-ANGIOPATHY: A NOT SO RARE ENTITY	M. Lakshmi Mythili
13	Pediatric transplantation Cost effective cardio protective intervention –keeping little hearts strong	Venkateswaran V S
14	Primary Immune deficiency Hematopoietic stem cell transplantation for children with Hemophagocytic Lymphohistiocytosis experience from the tertiary referral centre in southern India	Venkateswaran V S
15	Inherited Bone Marrow Failure Syndrome Myeloablative conditioning for Inherited Bone Marrow Failure Syndromes	Venkateswaran V S
16	Inherited Bone Marrow Failure Syndromes Malignancies post Hematopoietic Stem Cell Transplantation in children with Fanconi anemia	Venkateswaran V S
17	Pediatric Transplantation Haploidentical stem cell transplantation in children with Thalassemia major- experience from a tertiary referral centre	Venkateswaran V S
18	Pediatric Transplantation Donor characteristics predict the success of allogeneic haematopoietic stem cell transplantation in thalassaemia major: A single centre analysis of 250 patients	Venkateswaran V S
19	Section-Pediatric transplantation Unique Supportive Care Algorithms for Children undergoing Haploidentical HSCT for Benign Haematological Disorders	Ramya Uppuluri
20	Section-GVHD and other post transplant complications Ruxolinitib use in children post HSCT – a stitch in time saves nine	Ramya Uppuluri
21	Primary Immune deficiency “One size does not fit all” - Hematopoietic stem cell transplantation for genotypic variants of severe combined immune deficiencies	Ramya Uppuluri
22	Inherited Bone Marrow Failure Syndromes Haploidentical stem cell transplantation in children with Fanconi anemia with post-transplant cyclophosphamide	Ramya Uppuluri
23	GVHD and other post transplant complications A case series of four patients presenting with thrombotic microangiopathy post allogeneic hematopoietic stem cell transplant	Kartik Purohit
24	FIRST ALLO TRANSPLANT WITH HAPLO A NEW BEGINNING	Hashim Ismail Kunju

25	Clinical Outcomes of Allogeneic Stem Cell Transplant for FanconiAnemia- A Single Centre Experience	Sohini Chattopadhyay
26	A Study Of The Limited Use Of Autologous Hematopoietic Stem Cell Transplant For Fit Elderly Patients With Multiple Myeloma	Swaroop Revannasiddaiah
27	Successful Related Haploidentical Stem Cell Transplantation in an X-linked Chronic Granulomatous Disease	Ashok Meshram
28	RELAPSED LYMPHOMATOID GRANULOMATOSIS MANAGED SUCCESSFULLY WITH AUTOLOGOUS HEMOPOIETIC STEM CELL TRANSPLANTATION	Rintu Sharma
29	Efficacy of Artesunate for Treatment of Cytomegalovirus Reactivations in Allogeneic Haematopoietic Stem Cell Transplant Recipients who are Intolerant/Unsuitable for Ganciclovir Therapy	Vijay kumar Shirure
30	Fludarabine Melphalan versus Fludarabine Treosulfan as Reduced Intensity Conditioning Regimens in Allogeneic Hematopoietic Stem Cell Transplant – A Retrospective Analysis	Akanksha Chichra
31	Fatal Achromobacter Xylosoxidans Blood Stream Infection in a patient with Acute Lymphoblastic Leukaemia: Report and Short Review of Antimicrobial Therapy	Suvir Singh
32	Isolated Amyloidoma of the Nasal Cavity	Suvir Singh
33	Epidemiology of Myeloproliferative Neoplasms (MPN) in Indian patients: A Single Centre analysis	Suvir Singh
34	Primary Central Nervous system Lymphoma – Is R-BEAM a optimum conditioning prior to Autologous transplant ?	Rohith G Chitrapur
35	A unlikely Transformation – Splenic Marginal Zone lymphoma to Hodgkin’s Lymphoma	Rohith G Chitrapur
36	STEM CELL TRANSPLANTATION AND CLINICAL HEMATOLOGY PRACTICES FOR CHILDREN AND YOUNG ADULTS IN CENTRAL INDIA	Ankit B S
37	Hematopoietic Stem Cell Transplant (HSCT) in Paediatric Leukemias and Myelodysplastic Syndromes (MDS): A Single Center Experience from India	Sohini Chakraborty
38	Severe Thrombocytopenia in a Donor post Stem Cell Harvest for Allogenic Bone Marrow Transplant : A Case Report.	Aaron Charles Lobo
39	Haploidentical Stem Cell Transplantation in Acute Myeloid Leukemia using Peripheral Stem Cell Graft: Results from a tertiary cancer care centre.	Kshitij Domadia
40	Outcomes of Autologous Stem Cell Transplant for Patients with Lymphoma using CBV (Carmustine, Cyclophosphamide, Etoposide) Conditioning Regime	Narendran Krishnamoorthi
41	Autologous Stem Cell Transplantation In Philadelphia Chromosome Positive-Acute Lymphoblastic Leukemia - Experience From the Cancer Institute	Kiran Kumar Satti
42	Use Of > 5 X 10 ⁶ /Kg Cd34 Cells For Autologous SCT In Myeloma - Cost Effective With Improved Outcomes	Hamza Dalal
43	Pre-Transplant Use of Tyrosine Kinase Inhibitors Increases Risk of Transplant Associated Thrombotic Microangiopathy - A Single Centre Analysis of Incidence, Risk Factors and Outcomes	Lingaraj Nayak

44	Hematopoietic Stem Cell Transplantation for Primary Immunodeficiency Disorders: Single centre experience in India	Ajeitha Loganathan
45	Experience With Myeloablative Conditioning In Haploidentical Stem Cell Transplantation In Pediatrics: A Single Center Experience	Arun Singh Danewa
46	Isolated CNS Relapse in a case of CMML post Allogenic Stem Cell Transplant.	Shipra Verma
47	Haplo Identical Stem Cell Transplant as a Plausible Alternative - Experience From Cancer Institute (W.I.A), Chennai.	Ankit Batra
48	Fatal Cardiac Arrhythmia After Infusion Of Dimethyl Sulfoxide-Cryopreserved Hematopoietic Stem Cells In A Patient With Relapsed Hodgkins Disease;Case Report and Review of Literature	Sanjo M Varghese
49	Lenalidomide as potent inducer of Graft versus Host Disease (GVHD) and Graft Versus Leukemia (GVL) in patients at high risk of relapse post Allogenic Stem Cell Transplant	Vinodhini Murugaiyan
50	T cell replete Haploidentical hematopoietic stem cell transplant (HSCT) and impact of Donor specific antibody reduction on engraftment: a real-world experience	Prashant Mehta
51	Stem Cell Transplantation In Uttarakhand State- Experience Of Initial Three Years	Kunal Das

Note:

- * Submitters who had successfully submitted their abstracts through email but do not find their name in the above list should urgently contact Mr. Hitanshu Shivani (+91 97188 17737).
- * The poster display boards with pins will be provided at the conference venue. Kindly ensure your poster is put up & removed as per the timings mentioned above.
- * The presenters are requested to be available at the time of poster judging/ presentation to attend to the delegates and panel of experts.
- * Dimensions of your poster should be maximum 3 feet (width) x 4 feet (height).
- * Kindly adhere to the timings mentioned above.
